Mr. Ahmad S. Hamed

Dear Ahmad:

On behalf of the entire MacKay family on Overbrook Street, thank you for an EXCELLENT job on our renovation project! We feel very fortunate to have found someone as kind, considerate, trustworthy, and dependable as you. We felt you were always looking out for our interests and complete satisfaction. We really appreciated your excellent ideas and suggestions with the design and materials, attention to quality, timeliness, cleanliness, and your patience with our decision-making.

We will happily recommend you to our neighbors and friends in need of construction, and would be very happy to be a reference for your future customers. Please feel free to have your photographer call us to arrange to take photos of the finished job. We would be delighted to show off the finished basement work on your website.

We look forward to meeting your entire family in the near future.

Sincerely,

Ian and Judy MacKay
